

Labels for 3D Manipulable Model							
Position of Labels	Quaternity Labels	PTPR Labels	Labels from Various Scriptures	Labels from Consciousness Studies, including Yogic Philosophy	Labels from Physics according to Measurability by Human Standards	Mathematical Labels	Domains and Relationships
Outside Green lg L	Creatable	Female Subject Rests in the Ground State.	Tao, the Waters, gateway to Heaven and Earth	N/A since patriarchal times	Raw Substance, Super-conducting Plasma, Super-saturated Solution, the Luminiferous Aether , a field of energy	$\sqrt{-1}$ NEITHER $+1$ nor -1	Upper Quadrants, Metaphysical Domain
Inside Blue lg L	Informed	Male Subject Rests in the Ground State.	The Word that was with God	Unconsciousness, Turiya, Collective Consciousness	Holographic Space Memory Network, a field of bits of data		
Inside Blue sm L	Creative	Male Object Pulled ; the seed selected from the Ground of Possibilities.	Spirit-Breath moves on the Waters ; heat/movement/desire arises in that One, who breathes windlessly.	Deeply-Sleeping Mind (M), no individual vantage point for dividing externality.	Probabilities without position or momentum		
Inside Green sm L	Informer	Female Subject selectively Pulls Male seed. Inception/ Insemination/ Fertilization	Omnipotent Female/Mother lies low, yin, non-resistant receptivity , Virgin Mother	N/A since patriarchal times	Virtual particles, 0D point-particles, singularity inside a black hole, gravity, yin, centripetal force	$0/1$ the Infinitesimal, and all the internal dimensions up to, but not including, the central unit.	Public Daytime Relationship
Front Seam	Creating/ OUTforming	Female Subject Transitions, (producing Her Object, gestation); Male Subject continues to Rest.	Pregnancy of Virgin Mother	Sensory stimuli at boundary Re-Minds Consciousness	‘Looking For’ at event horizon, (beyond which one cannot see). Vibratory disturbance gives Structure to Substance; cymatics, electro-magnetic oscillation		
Inside Blue sm R	Informable	Male Object Pulls (via physical sensory receptors) an impression of Created/ OUTformed content. (Female Object Pushed), along with INformative context (Female Subject's Push) ,	Male Pulls, “Let there be Light.” Direct Encounter	Receptivity (Male Pull) by the Dreaming Mind (U).	Sequencers of temporal experiences, Observers, scientists, attention payers, users of microscopists, telescope users , computer algorithms, gas traps, photon absorbers, charged particles and fields	The 10,000 things that come to pass as units or Particularities.	Lower Quadrants, Physical Domain
Inside Green sm R	Created	The Female Object that gets Pushed OUTformed (inside-space and the boundary of a Particular Entity)	Then there is light: The offspring is Sun/Light/Sol/Soul/ Son/Christ born from Mother; Chrystal falls from Solution.	That which is seen/ perceived/ measured/ calculated.	Fractal organizations, photon, radiation emitters, charged particles , energy fields falling from solution		
Inside Green lg R	Informative	Female Subject Pushes Object and expands the outside-space surrounding Her Object.	Akashic Record; Interference Patterns are layered between outside spaces called the Heavens .	An encounter, during which Attention is ‘Paid’ ; the context in which content is assumed to take place, mental rather than outside physical space .	The expanding outside-spaces of the cosmos, yang, centripetal force.		
Outside Blue lg R	Creator	1) Male Object Transitions (producing local reactions; 2) Male Subject (the Environment) Pulls/receives data re: global, non-local reconfiguration.	God sees the light, that it is good, divides light from darkness, names Day and Night. Father Sky, Father who art in Heaven, the Omniscient Observer/Overseer, the Creator of Heaven and Earth (establishes boundaries), judge of character who divides spaces , names the 10K things and appends memories in time.	Recognition by Waking Mind (A) of qualia re-presenting the quantity encountered. Patterns are 1) Re-viewed and 2) Re-cognized in mind rather than in spatial context .	‘Looking At’ from the outside toward the boundary (which expands and contracts “like a bellows”), deBroglie waves, of the atmosphere as an Observer.	Not including the unit 1 , all the external dimensions up to and including the infinitude, $1/0$.	Private Nighttime Relationship
Back Gap	INforming	Female Objects disintegrate into Ground (mingled-in); Male Subject Transitions, either self-sacrificing or disrupting the Ground state.	Resolution: Solutes and Solvent are again a mingled-in Solution.	The personal vantage point is sacrificed and perceptions are disregarded in enlightenment.	Energy borrowed for mass/matter is returned through the resorption of matter and the reintegration of energy.	$\sqrt{-1}$, which is NEITHER $+1$ nor -1 .
